Bigfoot is a mystery that is fun to explore, that helps children and their families get outside to join in on the adventure.

I am the founder of the Hocking Hills Bigfoot Conference that supports the Big Brothers/ Big Sisters Camp Oty'Okwa. Since 2016, this grassroots event has raised over \$30,000 for their camper scholarship fund since no child pays for the many benefits that the camp provides. This is an annual fundraising opportunity for the camp. I strongly believe that time spent in nature helps us all heal, grow, learn, and relax a bit from everyday stress.

The purpose of this letter is to inform you that I have endeavored to host a **new** event in addition to this conference. The Hocking Hills Bigfoot Festival, which will take place August 5-6th, 2022 in downtown Logan, Ohio. This area is in the process of revitalization and is heavily dependent on travel and tourism, bringing in nearly 50 billion in revenue. Currently, local groups are working on the future children's museum, and restoring the historic Logan Theater. My goal is to bring the bigfoot mystery to Logan, Ohio, to help these efforts by providing a fun way for folks and families to enjoy in the process.

The festival will include presentations by local and national speakers, local musical talent, a children's walk like squatch' fun walk, a themed art exhibit and vendors, and many other activities that also encourage education, conservation, and exploration of our natural areas. We already have more than 2,600 followers on Facebook and more than 115,000 site views and have an entire media strategy in place. We expect the festival to draw a large crowd this year and even larger next year.

I need your help with any type of sponsorship and/or funding to help make this event as successful as possible for the families and to provide continuing work to improve the community. Please consider sponsoring this first-all ever event. We have different levels of sponsorship which are explained on the attached page. We hope you'll join us in supporting the community.

I sincerely appreciate your time and consideration.

Kindest Regards,
Bea Mills
